Due: two weeks before start of Quarter

FISH 498 (C/NC) Internship/Experiential Learning (1-15 cr., 15 max.)

An Undergraduate Internship typically involves the student gaining practical experience in a setting either on-campus or off-campus. The student may participate in projects at regulatory agencies (city, county, state, federal), non-profit organizations, industry, etc. Internships are only available on a C/NC basis. The student, faculty sponsor, and workplace supervisor together will outline the learning objectives of the internship experience. Worksite Supervisor must complete an evaluation with the student before the faculty sponsor may grant credit for the experience. This evaluation should be given to faculty sponsor, then turned in to Student Services in FSH 116. This evaluation may be downloaded at: http://fish.washington.edu/students//undergraduates/learning.html

Quarter/Yr.: Spring 2012 Quarter/Yr.: Spring 2012 Number of credits: 9 (3 hrs. /wk. per credit) (1-15 cr) Internship Proposal (attach the following on an additional page): 1) Learning Objectives (what 3-5 things do you want to learn more about?): 2) Internship description/Location (what will you be doing? where?): 3) How project will be documented (e.g., journal, written report, finished brochure?): 4) Timeline (when will the activities be done, drafts of report, evaluation date, due date for journal?): **ACKNOWLEDGEMENT OF RISK** For the student, please read this statement. Your signature below indicates that you understand: Tacknowledge that there may be certain risks inherent in participating in independent research, capstone or internship experise depending upon the site and duties. I will take responsibility for discussing these forseable risks with my worksite supervise faculty sponsor. I acknowledge that all risks can not be prevented or predicted and I agree to assume risks beyond the control university of Washington. If I ever feel unsafe/uncomfortable about a situation, I know that I should speak with my worksis supervisor or faculty sponsor immediately. Should I require emergency medical treatment as a result of accident or illness du field/lab experience, I consent to such treatment and agree to be financially liable for it. I acknowledge that the UW does not entere." By signing below, the Faculty Sponsor and Workplace Supervisor agree to work with the student and provide supervision and evaluation before granting credit to the student. ***********************************	Name: Derek Brady	Student #: 1040814
