Domestic

International

Presentation  
Title

Characterizing the Response of Vibrio tubiashii to Changes in Environmental Conditions

Oral

Poster

\*FINS funds are only awarded to students giving a presentation.

**Budget** Please provide an outline of your budget, including how the FINS money would be applied. Indicate source(s) of additional funding to cover expenses, if you have identified any. Maximum award is \$150.

Hotel (4 nights): \$560  
Airfare: \$300

## Service

The salmon poster fundraiser has been possible due to the incredible service and donation of Professor Tom Quinn, artist David Ehlert, and several students to the School of Aquatic and Fishery Sciences. FINS asks that awardees demonstrate how they have contributed to the department and community. Please attach a 1-page maximum summary describing your participation in FINS and/or SAFS events.

Have you received SAFS or FINS travel awards in the past?

SAFS

FINS

If yes, please give  
conference name and dates: \_\_\_\_\_

\* Please note that priority is given to students who have not received FINS funding in the past.

By signing below, you are stating that you are a currently enrolled, matriculating SAFS graduate student and that you agree to the terms laid out on the FINS webpage regarding the use of these funds. Please return this application and a **copy of your submitted abstract** to the FINS treasurers (Jackie Carter or Molly McGlaufflin).
